Electronic superannuation audit tool (eSAT)

The electronic superannuation audit tool, ([eSAT \(/Calculators-and-tools/Electronic-super-audit-tool/\)](#)) is available free of charge. It has been specifically designed to help SMSF auditors fulfil their obligations, carry out the annual compliance audit and lodge an ACR when required. Its main features include:

- a compliance audit support tool to help identify contraventions
- an electronic lodgment facility for lodgment of contravention reports
- an audit complete advice tool for notifying us when you have completed an audit.

Our commitment to you

We are committed to providing you with accurate, consistent and clear information to help you understand your rights and entitlements and meet your obligations.

If you follow our information and it turns out to be incorrect, or it is misleading and you make a mistake as a result, we will take that into account when determining what action, if any, we should take.

Some of the information on this website applies to a specific financial year. This is clearly marked. Make sure you have the information for the right year before making decisions based on that information.

If you feel that our information does not fully cover your circumstances, or you are unsure how it applies to you, contact us or seek professional advice.
