## APRA-regulated funds

---

Super funds regulated by the Australian Prudential Regulation Authority (APRA) are typically large funds with hundreds or thousands of members. The information in this topic is for:

- large super funds
- retirement savings accounts (RSAs)
- approved deposit funds
- administrators of the above.

This information does not apply to [self-managed super funds \(/Super/Self-managed-super-funds/\)](#) (SMSFs) or small APRA-regulated funds.

Changes to the super system announced by the Government in the May 2016 Budget are now proceeding. Check the changes, via the link below to see how these changes impact on APRA-regulated funds and their members.
